

# The Yard Ramp Guy®

We Rent, Sell & Buy  
New & Used Yard Ramps  
Throughout the United States.

## ILLUSTRATION of RAMP OFF-LOADING & PLACEMENT at DOCK

1. Ramp is delivered on its side.

2. Installed hook allows ramp to be lifted off flatbed.

3. Wrecker pulls ramp right up to dock.

4. Wrecker takes ramp from flatbed to dock.

5. Ramp is in place.

Customer then installs safety brackets to dock well and connects ramp's safety chains to brackets.
